## PRESS RELEASE

### „CAVALLUNA - Land of a Thousand Dreams“: A Fantastic Ride through Asia

After the successful shows „CAVALLUNA - Legend of the Desert“ and „CAVALLUNA - Secret of Eternity“, Europe’s most popular horse show returns in October 2023 with the new program „CAVALLUNA - Land of a Thousand Dreams“! Let yourself be whisked away to an incredible world on the Asian continent and experience beautiful horses, supreme horsemanship, stunning displays and soulful music - embedded in a fantastic story that will thrill young and old alike.

Once again, the creative team around author, director and composer Klaus Hillebrecht has come up with something very special to transport the audience to a distant world for a few hours. Every single scene transports beauty, naturalness and deep emotions and makes CAVALLUNA an unforgettable and unique experience.

The new show tells an adventurous and fabulous story: Yuen, who was born with rare blue eyes - a sign of special talent - is pursued by the evil royal advisor Merl and his henchmen because of her origins. On the run, she learns of the distant Land of a Thousand Dreams, where everyone can realize themselves and live out their talents. Her search for this mystical place leads her to a Shaolin master, kung-fu fighters and a horse whisperer, but her pursuers are always close on her heels. Will she manage to reach the fabled Land of a Thousand Dreams?

Once again, you can look forward to the most popular riding teams from all over Europe: Whether it’s high-class dressage from the Portuguese team around Luís Valença, action-packed trick riding from the French Hasta Luego Academy, a dreamlike liberty dressage from audience favorite Bartolo Messina or the fast-paced Hungarian post from the exceptional Italian talent Diego Giona - in „CAVALLUNA - Land of a Thousand Dreams“, popular stars will once again delight the audience with their extraordinary skills. But also new faces will show what they and their beautiful horses are capable of! For example, the Spaniard Alejandro Barrionuevo will be represented in the role of the villain Merl with impressive shows, as well as the German equipe Pfeifer, who will captivate young and old with incomparable fire effects and fast-paced female power.

Visit Europe’s most popular horse show and come along on an adventurous journey through Asia!

From October 2023 to June 2024, „CAVALLUNA - Land of a Thousand Dreams“ will be on tour in over 30 cities throughout Europe - guaranteed to be near you! Experience exciting action, deep trust and pure passion for horses!
