PRESS RELEASE

“CAVALLUNA – Gate to the Otherworld“: A Mystical Journey of Enlightenment

From October 2025, CAVALLUNA presents a spectacular new show that takes the audience into mysterious worlds and tells a truly fantastical story. Approximately 500,000 guests are expected on the eight-month tour and they can look forward to impressive special effects, outstanding choreography and, above all, 56 beautiful horses. Young and old alike will be enchanted by supernatural creatures and a heart-warming adventure.

The show tells the mystical story of the young sorceress Meerin, who has the magical gift of turning her drawings into reality and doing good with them. Her fate changes however when she is banished from her village as a witch and has to embark on an adventurous journey to an unknown world. Unfortunately, she falls into the clutches of an insidious warlock who has a sinister plan to abuse Meerin for his own purposes. On her journey, the young sorceress not only has to fight against the dark forces, but above all against her inner shadows – because only trust in herself can bring back the magic she thought she had lost. Will Meerin manage to turn her fate around in the end?

“CAVALLUNA – Gate to the Otherworld” is not just a horse show, but rather an unforgettable experience for the whole family, with a captivating story, touching music and an impressive stage design. An international dance ensemble completes the extraordinary numbers of the talented horses and riders from all over Europe. The audience can look forward to elegant Lusitanos from Portugal and cute mini ponies from the island of Ischia. A spectacular Hungarian post, daring trick riders and deeply moving liberty numbers complete the impressive programme. Well-known audience favourites like Bartolo Messina and Kenzie Dysli as well as completely new faces, such as the exceptional talent Ruj Bellini from Italy, will impress young and old alike.

The tour stops in over 30 cities in Europe from October 2025 to June 2026. Further information about the show can be found at www.cavalluna.com and a selection of show photos can be downloaded [here](#) in our digital press centre.
